some of the greatest works of literature have wrestled with the task of illuminating the human experience of death this new title discusses the role of death and dying in works such as beloved a farewell to arms lord of the flies paradise lost and many others featuring approximately 20 essays death and dying provides valuable insights on this recurring theme in literature

recounts the slaying of the clutter family of kansas and the capture trial and execution of their murderers

killing the indian maiden examines the fascinating and often disturbing portrayal of native american women in film m elise marubio examines the sacrificial role in which a young native woman allies herself with a white male hero and dies as a result of that choice in studying thirty four hollywood films from the silent period to the present she draws upon theories of colonization gender race and film studies to ground her analysis in broader historical and sociopolitical context and to help answer the question what does it mean to be an american the book reveals a cultural iconography embedded in the american psyche as such the native american woman is a racialized and sexualized other a conquerable body she represents both the seductions and the dangers of the american frontier and the manifest destiny of the american nation to master it

smart funny fearless it s pretty safe to say that spy was the most influential magazine of the 1980s it might have remade new york s cultural landscape it definitely changed the whole tone of magazine journalism it was cruel brilliant beautifully written and perfectly designed and feared by all there s no magazine i know of that s so continually referenced held up as a benchmark and whose demise is so lamented dave eggers it s a piece of garbage donald trump

in counterterrorism circles the standard response to questions about the possibility of future attacks is the terse one liner not if but when this mantra supposedly conveys a realistic approach to the problem but as joseba zulaika argues in terrorism it functions as a self fulfilling prophecy by distorting reality to fit their own worldview the architects of the war on terror prompt the behavior they seek to prevent a twisted logic that has already played out horrifically in iraq in short

zulaika contends counterterrorism has become pivotal in promoting terrorism exploring the blind spots of counterterrorist doctrine zulaika takes readers on a remarkable intellectual journey he contrasts the psychological insight of truman capote s in cold blood with the 9 11 commission report plumbs the mindset of terrorists in works by orianna fallaci and jean genet maps the continuities between the cold war and the fight against terrorism and analyzes the case of a basque terrorist who tried to return to civilian life zulaika s argument is powerful inventive and rich with insights and ideas that provide a new and sophisticated perspective on the war on terror

novel competition describes the literary and institutional effort to make the american novel matter after 1965 during this era hollywood movies popular music and other forms of mass produced culture vied with novels for a specific kind of prestige often figured as importance or relevance that had mostly been attached to novels in previous decades this trans media competition brier argues is a crucial but largely unacknowledged event in the literary and economic history of the american novel in the face of it the novel lost some of the symbolic specialness it formerly held that loss in turn generated not just a much discussed rhetoric of crisis but also a host of unexamined intertwined effects on both literary form and the business of novel production drawing on a range of novels and on the archives of publishers editors agents and authors novel competition shows how fiction s declining position in a transformed popular prestige economy reshaped the post 1965 american novel as art form cultural institution and commodity

the supreme court has looked to evolving standards of decency in determining whether the death penalty violates the

eight amendment to the constitution which prohibits cruel and unusual punishment evolving standards of decency examines the ways in which popular culture portrays the death penalty by analyzing literature and film atwell argues that capital punishment becomes much more complex when both offenders and victims are presented as fully developed individuals numerous books and films from the last several decades expose flaws in the criminal justice system and provide audiences with stories that raise questions about race class and actual innocence in the administration of the ultimate punishment although most people will not read legal briefs supporting or challenging the death penalty many will see films or read novels that raise issues about its fairness themes and images gathered through popular culture may ultimately influence whether americans continue to believe that capital punishment conforms to their evolving standards of decency and justice those studying justice issues corrections or capital punishment will find this an accessible and provocative work that places the stories read in novels or seen in movies in the context of the legal system that has the power of life and death
