large and complex software systems such as internet applications depend on distributed applications although java has helped reduce the complexity of distributed systems developers still have to contend with diverse hardware platforms remote communication over networks and system failures java in distributed systems provides a comprehensive guide for anyone wishing to deepen their knowledge of java in distributed applications beginning with a tutorial guide to distributed programming in the java environment it shows you how building blocks from threads to jini can help you to fulfil sun s vision that the network is the computer it then goes on to focus on aspects that are still challenging researchers such as concurrency distribution and persistence key features

one of the few books to focus specifically on java for building distributed applications coverage includes threads sockets rmi corba voyager mobile agents jdbc object oriented databases java spaces and jini includes advanced chapters on the cutting edge of java language development including the author s own proposed dejay distributed java an open source project that offers a unified approach to concurrency distribution and persistence

the pulsar switch can be implemented easily with existing technology and it compares favorably with other high throughput switch designs the design can be applied to both network switches and computer backplanes which require low latency and feedback control paths the research covers the fundamentals of high speed packet switching including queue configurations for non blocking throughput and queue service discipline and medium access control for allocated bandwidth the research breaks new ground by combining non blocking throughput and allocated bandwidth into a switch design for integrated broadband services

even if others abandon you you must never abandon yourself this simple truth became terry helwig s lifeline as she was forced to grow up too soon terry grew up the oldest of six girls in the big sky country of the american southwest where she attended twelve schools in eleven years helwig s stepfather davy a good hearted and loving man proudly purchased a mobile home to enable his family to move more easily from one oil town to another where davy eked out a living in the oil fields terry s mother carola jean a wild rose whose love often pierced those who tried to claim her had little interest in the confines of home and motherhood in davy s absence she sought companionship in local watering holes a pastime she dubbed visiting timbuktu she repeatedly left terry in charge of the household and her five younger sisters despite carola jean s genuine attempts to better herself her life spiraled ever downward as terry struggled to keep the family whole in the midst of transience and upheaval terry and her sisters forged an uncommon bond of sisterhood that withstood the erosion of davy and carola jean s marriage but ultimately to keep her own dreams alive terry had to decide when to hold on to what she loved and when to let go unflinching in its portrayal yet told with humor and compassion terry helwig s luminous memoir moonlight on linoleum explores a family s inner and outer landscapes of hope despair and redemption it will make you laugh cry and hunger for more
