India has a rich cultural heritage expressed through the large number of festivals celebrated across the country. This book introduces the spectrum of Indian festivals using an activity book approach. The concepts are introduced using activities such as matching exercises, crossword puzzles, and finding paths in a maze. The festivals are arranged in chronological order, with the January festivals at the beginning of the book, culminating with festivals that fall in December. This book will be a good launching pad to introduce children to the rich culture of India in a fun manner.

A highly focused Cambridge English First (FCE) course providing efficient exam preparation in 50-60 core hours. The syllabus for this exam has changed, and this book has now been replaced by 9781107428577 Compact First Second Edition Teacher's Book.

Developed by an experienced educator and classroom tested for more than a decade, the I Love Math program presents a complete elementary math curriculum. Each volume provides an entire year's worth of challenging exercises focused on standards-based topics, using engaging color graphics and easy-to-follow practical lessons. The program is perfect for students of various learning styles and skill levels. The unique learning approach featured in the program furnishes a fun-filled means of motivating students to think more deeply, investigate, explain, and understand. Problem-solving strategies are provided. Each workbook provides complete coverage of the following concepts: whole numbers, patterns, algebra, mass, addition, subtraction, data, time, multiplication, division, length, three-dimensional space, chance, volume, capacity, and position. Concepts are divided into two sections, one per semester. Each section is two or three pages in length and is followed by an assessment which allows for immediate and continuous feedback. Lesson extensions and suggestions for going forward are also included with each activity. The hands-on activities can be performed using a variety of commonly available classroom materials.
