the intention for this book is to present the resistance to change phenomenon from a new perspective the term resistance is complex and very often misinterpreted change leaders should adapt their perspectives on this subject and try to see resistance from a positive angle as well by just changing the prospect of analyzing it managers could experience a greater success in implementing new changes and effectively attract more employees onto their side instead of trying to eliminate or suppress employees resistance managers should rather use their reactions in a positive framework resistance may be useful as feedback and therefore managers can use it to improve and refine the organizational change process

why did the chicken cross the road knock knock who s there what do you get when you as kids guess the answers they re sure to get the giggles with this book little ones will look forward to sharing the jokes with parents teachers and siblings and even coming up with some

variations of their own in addition to hundreds of rib tickling jokes readers will love head scratching brain teasers funny knock knock jokes hysterical puzzles ridiculous riddles and much much more amid the jokes kids also find information on how to deliver the perfect punch line and how their favorite comics got started telling jokes every budding comic needs a little help getting started and this book is the perfect go to for getting laughs
