This book contains the proceedings of the 5th annual international seminar on trends in science and science education aistsse and the 2nd international conference on innovation in education science and culture iciesc which were held on 18 October 2018 and 25 September 2018 in the same city Medan North Sumatera. Both of the conferences were organized respectively by the Faculty of Mathematics and Natural Sciences and Research Institute Universitas Negeri Medan. The papers from these conferences were collected in a proceedings book entitled "Proceedings of 5th aistsse" in the publishing process. aistsse and iciesc were collaboration conferences that present six plenary and invited speakers from Australia, Japan, Thailand, and Indonesia. Besides speakers, around 162 researchers covering lecturers, teachers, participants, and students attended this conference. The researchers come from Jakarta, Yogyakarta, Bandung, Palembang, Jambi, Batam, Pekanbaru, Padang, Aceh, Medan, and several from Malaysia and Thailand. The aistsse meeting is expected to yield fruitful results from discussions on various issues dealing with challenges we face in this industrial revolution 4.0. The purpose of aistsse is to bring together professionals, academics, and students who are interested in the advancement of research and practical applications of innovation in education, science, and culture. The presentation of such a conference covering multi-disciplines will contribute a lot of inspiring inputs and new knowledge on current trending about mathematical sciences, mathematics education, physical sciences, physics education, biological sciences, biology education, chemical sciences, chemistry education, and computer sciences. Thus, this will contribute to the next young generation researchers to produce innovative research findings. Hopefully, that the scientific attitude and skills through research will promote Unimed to be a well-known university which persists to be developed and excelled. Finally, we would like to express greatest thankful to all colleagues in the steering committee for cooperation in administering and arranging the conference. Hopefully, these seminar and conference will be continued in the coming years with many more insight articles from inspiring research. We would also like to thank the invited speakers for their invaluable contribution and for sharing their vision in their talks. We hope to meet you again for the next conference of
