in the late nineteenth and early twentieth century ideals of technological progress and mass consumerism shaped the print cultures of countries across the globe magazines in europe the usa latin america and asia inflected a shared internationalism and technological optimism but there were equally powerful countervailing influences of patriotic or insurgent nationalism and of traditionalism that promoted cultural differentiation in their editorials images and advertisements magazines embodied the tensions between these domestic imperatives and the forces of global modernity magazines and modern identities explores how these tensions played out in the magazine cultures of ten different countries describing how publications drew on resisted and informed the ideals and visual forms of global modernism chapters take in the magazines of australia europe and north america as well as china the soviet turkic states and mexico with contributions from leading international scholars the book considers the pioneering developments in european and north american periodicals in the modernist period whilst expanding the field of enquiry to take in the vibrant magazine cultures of east asia and latin america the construction of these magazines modern ideals was a complex dialectical process in dialogue with international modernism but equally responsive to their local cultures and the beliefs and expectations of their readers magazines and modern identities captures the diversity of these ideals in periodicals that both embraced and criticised the globalised culture of the technological era

from very early on in his career john f kennedy s allure was more akin to a movie star than a presidential candidate why were americans so attracted to kennedy in the late 1950s and early 1960s his glamorous image good looks cool style tough minded rhetoric and sex appeal as steve watts argues jfk was tailor made for the cultural atmosphere of his time he benefited from a crisis of manhood that had welled up in postwar america when men had become ensnared by bureaucracy softened by suburban comfort and emasculated by a generation of newly aggressive women kennedy appeared to revive the modern american man as youthful and vigorous masculine and athletic and a sexual conquistador his cultural crusade involved

other prominent figures including frank sinatra norman mailer ian fleming hugh hefner ben bradlee kirk douglas and tony curtis who collectively symbolized masculine regeneration jfk and the masculine mystique is not just another standard biography of the youthful president by examining kennedy in the context of certain books movies social critiques music and cultural discussions that framed his ascendancy watts shows us the excitement and sense of possibility the optimism and aspirations that accompanied the dawn of a new age in america
