transnational sport in the american west is the story of how a sport can cross physical and cultural borders catholic missionaries first brought the sport of basketball to southern mexico in the early twentieth century but over time the sport has grown into a cultural tradition in states like oaxaca wa hak a the ball bounced across the mexico u s border into los angeles ca during the 1970s and pick up games in the park eventually became organized tournaments in 1977 an annual tournament called the benito Juárez cup was established in guelatao oaxaca to celebrate the culture of basketball in the region and to honor former president of mexico benito Juárez now generations of youth from the u s travel to oaxaca to play in the tournament follow the story of three youth who describe their culture and the significance the sport of basketball has played in their life they have different experiences based on age gender skill and birthplace but they all have one thing in common basketball is a part of them and although the sport can be played many different ways this is their game

through the hart celler act of 1965 islam in america underwent a dramatic transformation in the city of chicago african american and immigrant muslims increasingly came into contact and collaboration with each other aided by shifts in american foreign and domestic policies and the increasing interconnectivity of arab states with american muslims the character and scope of community development and religious practice changed under the leadership of a new generation of american muslims envisioning themselves as part of a single ummah leaders of various muslim communities worked to build understanding consolidate organizations and share time and space with their co religionists through their actions racial cultural linguistic and ideological barriers were no longer be irreconcilable differences utilizing documents from groups like the mcc msa and noi this book emphasizes the on the ground actions of chicago based muslims in reimagining and building the ummah in america in doing so chicago muslims and the transformation of american islam offers a new approach to understanding the complex and oft disparate stories of american muslim life during this era

this book closely scrutinizes the individual and collective roles played by china the eu and the usa in contemporary world politics examining the three actors respective strategic and policy positions on and behaviour towards the flux of the contemporary global order the analysis focuses on three major issues and challenges foreign and security policy economics and trade and climate change and energy discussing their relative power as well as their interests beliefs and positions on a set of decisive issues this book explores bilateral relations between the three powers and the ways in which they may interact trilaterally in a broader global context to shape international politics written by a stellar line up of experts from the fields of politics and international relations the evolving relationship between china the eu and the usa will be of huge interest to

students and scholars from within these fields as well as policy makers and practitioners more generally

embracing dramatic similarities glaring disjunctions and striking innovations this book explores the history and context of dance on the land we know today as the united states of america designed for weekly use in dance history courses it traces dance in the usa as it broke traditional forms crossed genres provoked social and political change and drove cultural exchange and collision the authors put a particular focus on those whose voices have been silenced unacknowledged and or uncredited exploring racial prejudice and injustice intersectional feminism protest movements and economic conditions as well as demonstrating how socio political issues and movements affect and are affected by dance in looking at concert dance vernacular dance ritual dance and the convergence of these forms the chapters acknowledge the richness of dance in today s usa and the strong foundations on which it stands milestones are a range of accessible textbooks breaking down the need to know moments in the social cultural political and artistic development of foundational subject areas this book is ideal for undergraduate courses that embrace culturally responsive pedagogy and seek to shift the direction of the lens from western theatrical dance towards the wealth of dance forms in the united states

on the 250th anniversary of the declaration of independence law professor legal analyst and bestselling author of the indispensable right jonathan turley explores how the unique origins of american democracy set it apart from other revolutions whether it can survive and thrive in the 21st century and how the unfinished story of the revolution will play out in a rapidly changing world this is a book about revolutions most countries are the progeny of revolution at the birth of this nation the founding fathers faced the quintessential question of self governance how do you keep democracy from devolving into violent anarchy or brutal despotism drawing on little known facts from the founding jonathan turley reveals how the united states escaped the cycles of violence and instability that plagued other democratic movements from ancient athens to 19th century france as the nation approaches a new era marked by artificial intelligence robotics and profound economic shifts america must again withstand the pressure of radical forces that seek to curtail our natural liberties under the guise of popular reform in this crisis of faith many politicians and pundits are questioning the very principles of american democracy and some law professors are even calling for scrapping the constitution synthesizing sources from history to philosophy to the arts turley offers a hopeful account of how the lessons of the past can guide us through today s crisis of faith in democracy and see us into the future he notes from redcoats to robots our challenges have changed yet we have remained our greatest danger is not forgetting the history detailed in this book but forgetting who we were in that history

the withdrawal of the united states from afghanistan has left a lasting impact on both afghanistan s future and on asian

geopolitics it has also brought china into focus this book traces the emergence of china as a key player in afghanistan and the evolution of china s afghan policy especially with respect to its relations with the taliban beijing s dominant role in afghanistan s future is a potentially game changing development in asian geopolitics even if questions remain about the former s appetite to step in to fill the void and the limits of its ambitions in the comrades and the mullahs ananth krishnan and stanly johny examine what beijing s interests are and the drivers of its foreign policy and more specifically how its new silk road project the belt and road initiative is shaping china afghan relations they look at how afghanistan has emerged as a key point on the corridor heading west from xinjiang and discuss the xinjiang factor drawing on their travels to china s western frontiers as well as the internal dynamics that are pushing beijing s westward march another factor is the east turkestan islamic movement and the terror groups that are leading to an increasingly securitized approach to china s western regions and beyond including possible chinese plans to deploy special forces along the china afghan border areas in the wakhn corridor and badakhshan region china s afghan engagement has also deepened its all weather alliance with pakistan with beijing increasingly leaning on islamabad particularly in its outreach to the taliban and other elements in afghanistan that have long been supported by the pakistani state and is a perennial source of tension between islamabad and kabul the authors show how this increasing closeness is alarming for india and might have far reaching consequences especially in kashmir

When people should go to the book stores, search instigation by shop, shelf by shelf, it is in reality problematic. This is why we allow the book compilations in this website.
