a dictionary of the choctaw language based on original artifacts transcripts and primary source material

the dictionary expands on the original idea of karttunen and lockhart to map the usage of loans in nahuatl by using a much larger and diversified corpus of sources and by including contextual use missing in earlier studies most importantly these sources enrich the colonial corpus with modern data significantly expanding on our knowledge on language continuity and change

the debate between internalism and externalism has become a focal point of attention both in epistemology and in the philosophy of mind and language externalism challenges basic traditional internalist conceptions of the nature of knowledge justification thought and language what is at stake is the very form that theories in epistemology and the philosophy of mind ought to take this volume is a collection of original contributions of leading international authors reflecting on the present state of the art concerning the exciting controversies between internalism and externalism

a journal devoted to the discussion of political economic and sociological questions

archival snapshot of entire looseleaf code of massachusetts regulations held by the social law library of massachusetts as of january 2020
