this seminal textbook on the practical application of Australian discrimination law is suitable for all involved in this branch of the law lawyers business people human resources and industrial relations staff advocates and students discrimination law and practice examines important recent cases in key areas of discrimination law and particularly in all aspects of employment and harassment the provision of goods and services and education

Richard Stoddert Ewell is best known as the Confederate general selected by Robert E. Lee to replace Stonewall Jackson as chief of the second corps in the Army of Northern Virginia. Ewell is also remembered as the general who failed to drive federal troops from the high ground of Cemetery Hill and Culp's Hill during the Battle of Gettysburg. Many historians believe that Ewell's inaction cost the Confederates a victory in this seminal battle and ultimately cost the Civil War. During his long military career, Ewell was never an aggressive warrior. He graduated from West Point and served in the Indian Wars in Oklahoma, Kansas, New Mexico, and Arizona. In 1861, he resigned his commission in the U.S. Army and rushed to the Confederate standard. Ewell saw action at First Manassas and took up divisional command under Jackson in the Shenandoah Valley campaign and in the Seven Days battles around Richmond. A crippling wound and a leg amputation soon compounded the persistent manic-depressive disorder that had hindered his ability to make difficult decisions on the battlefield. When Lee reorganized the Army of Northern Virginia in May of 1863, Ewell was promoted to lieutenant general at the same time he married a widowed first cousin who came to dominate his

life often to the disgust of his subordinate officers and he became heavily influenced by the wave of religious fervor that was then sweeping through the confederate army in confederate general r s ewell paul d casdorff offers a fresh portrait of a major but deeply flawed figure in the confederate war effort examining the pattern of hesitancy and indecisiveness that characterized ewell s entire military career this definitive biography probes the crucial question of why lee selected such an obviously inconsistent and unreliable commander to lead one third of his army on the eve of the gettysburg campaign casdorff describes ewell s intriguing life and career with penetrating insights into his loyalty to the confederate cause and the virginia ties that kept him in lee s favor for much of the war complete with riveting descriptions of key battles ewell s biography is essential reading for civil war historians

bringing together ten research based contributions muslims migration and citizenship addresses questions about the changing experiences of muslim communities or specific groups within them in various national and localised environments although not an exhaustive survey of the broad range of scholarly research in this evolving field this book covers issues that are likely to be of some importance in the coming period in particular the contributors highlight the complexity of the experiences of muslim communities in different national and cultural environments and the evolution of both policy discourses and debates in civil society this book was originally published as a special issue of ethnic and racial studies
