encountering the manuscripts focuses on the most significant new testament manuscripts from the perspective of paleography and textual criticism

culinary landmarks is a definitive history and bibliography of canadian cookbooks from the beginning when la cuisinière bourgeoise was published in quebec city in 1825 to the mid twentieth century over the course of more than ten years elizabeth driver researched every cookbook published within the borders of present day canada whether a locally authored text or a canadian edition of a foreign work every type of recipe collection is included from trade publishers bestsellers and advertising cookbooks to home economics textbooks and fund raisers from church women s groups the entries for over 2 200 individual titles are arranged chronologically by their province or territory of publication revealing cooking and dining customs in each part of the

country over 125 years full bibliographical descriptions of first and subsequent editions are augmented by author biographies and corporate histories of the food producers and kitchen equipment manufacturers who often published the books driver s excellent general introduction sets out the evolution of the cookbook genre in canada while brief introductions for each province identify regional differences in developments and trends four indexes and a chronology of canadian cookbook history provide other points of access to the wealth of material in this impressive reference book

examining nixon s autobiographies and political memorabilia frick offers far reaching perceptions not only of the man but of nixon s version of himself contrasted with those who would interpret him differently he cites reinventions of nixon from the late 1980s particularly the museum at the richard nixon library and birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques and he recounts how celebrants at nixon s state funeral at which bob dole s eulogy depicted a god fearing american hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president with dozens of illustrations nixon posing with elvis the national archives most requested photo nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of nixon from so many diverse media these reinforce frick s probing analysis to help us understand why we disagree about nixon and why it matters how we resolve our disagreements book jacket
