A piano lessons beginners guide for children and adults. This book is suitable for children and adults who are about to start piano keyboard or organ lessons. This book is aimed specifically at beginners who want to learn to play a keyboard instrument. This can be piano, electronic keyboard, and electric organ. I actually wrote this book for myself to use as a resource when I teach new students how to play the piano. Since every piano keyboard player has had to learn what's in this book, it made sense to create a book that's easy to follow and can easily be shared. This learn to play piano book should be used before you buy a course book. In fact, it should be the first book you go to before you start to play the piano. All keyboard players know this information. All piano teachers will teach you the information in this book before giving you sheet music to play. This is not a learn to play in 24 hours book. It's not for advanced players. There's no secrets in this book. The info in this book is freely available. If you want to search for it, I like to call the info in this piano book essential information for students who know nothing about music theory and playing the piano. Here's what's in this book: 01 note names on the keyboard. In this section, you will learn all the white notes on a keyboard. 02 the staff. Here we show what the staff looks like and what symbols you can expect to see in lesson 1. 03 notes on the staff. Here you will learn what the notes are called on the staff. 04 middle C. Here you will find where middle C is on the staff and the keyboard. 05 note values. Discover music notes used in lesson 1 with different beat values. 06 hand position. Hand shape and position on the keyboard. 07 5 finger exercise. This is your first exercise to get those fingers working. 08 read the notes you are playing. Here you will read the notes in the 5 finger exercise. 09 finger numbers. Learn what each finger's number is. 10 play your first piece of music. Here you will play your first piece of music with your right hand. Piano teachers can use this book as a teaching aid for new students. Beginners can use this
