From Homemakers to Breadwinners to Community Leaders Third Wave Capitalism Editor & Publisher International Year Book Business Publication Advertising Source Hispanic Media & Market Source *Norma Fuentes–Mayorga John Ehrenreich*

in from homemakers to breadwinners to community leaders norma fuentes mayorga compares the immigration and integration experiences of dominican and mexican women in new york city a traditional destination for dominicans but a relatively new one for mexicans her book documents the significance of women led migration within an increasingly racialized context and underscores the contributions women make to their communities of origin and of settlement fuentes mayorga s research is timely especially against the backdrop of policy debates about the future of family reunification laws and the unprecedented immigration of women and minors from latin america many of whom seek human rights protection or to reunite with families in the us from homemakers to breadwinners to community leaders provides a compelling look at the suffering of migrant mothers and the mourning of family separation but also at the agency and contributions that women make with their imported human capital and remittances to the receiving and sending community ultimately the book contributes further understanding to the heterogeneity of latin american immigration and highlights the social mobility of afro caribbean and indigenous migrant women in new york

in third wave capitalism john ehrenreich documents the emergence of a new stage in the history of american capitalism just as the industrial capitalism of the nineteenth century gave way to corporate capitalism in the twentieth recent decades have witnessed corporate capitalism evolving into a new phase which ehrenreich calls third wave capitalism third wave capitalism is marked by apparent contradictions rapid growth in productivity and lagging wages fabulous wealth for the 1 percent and persistence of high levels of poverty increases in the standard of living and increases in mental illness personal misery and political rage the apotheosis of the individual and

the deterioration of democracy increases in life expectancy and out of control medical costs an african american president and the incarceration of a large percentage of the black population ehrenreich asserts that these phenomena are evidence that a virulent individualist winner take all ideology and a virtual fusion of government and business have subverted the american dream greed and economic inequality reinforce the sense that each of us is on our own the result is widespread lack of faith in collective responses to our common problems the collapse of any organized opposition to business demands makes political solutions ever more difficult to imagine ehrenreich traces the impact of these changes on american health care school reform income distribution racial inequities and personal emotional distress not simply a lament ehrenreich s book seeks clues for breaking out of our current stalemate and proposes a strategy to create a new narrative in which change becomes possible
