bringing together renowned scholars this handbook contains innovative current empirical and theoretical research in the area of job stress the workplace is one of the major sources of stress in an individual's life placing this important topic in the context of a transactional process this work is intended to be of use to practitioners working in clinical organisational family and health psychology mental health substance abuse the military and with families and women chapters are

arranged in five parts the first considering theoretical approaches with an introductory article by professor emeritus richard s lazarus next is an examination of various model testing formats followed by a section on occupational stress research and coping mechanisms fourth is a collection of articles on the subject of burnout and the book closes with two distinct interventions directed at stress reduction

featuring photographs on more than 10 000 objects miller s is the most comprehensive practical book on international antiques on the market 1 000 color and 9 000 black and white photographs sice c

shrimpers who fish the shallow coastal waters of texas fight a constant battle for survival contending with shrimpers who fish the deeper gulf waters competing with weekend sportsmen wrangling with government regulations and dodging environmentalists incriminations add competition from the international market an ominous threat frequently overlooked by bay fishermen and the shrimpers chances of winning at least with their current lifestyle intact are slim in the bay shrimpers of texas lee maril explores the successes and failures of the shrimpers who prowl remote bays rivers and estuaries for their livelihoods through random sample surveys of fishermen participant observation and historical analysis he examines the political economic and social realities confronting the shrimpers and their families legal and environmental constraints price instability work hazards and benefits only one percent of the shrimpers surveyed had health insurance rivalry with gulf and sport shrimpers and conflict with vietnamese refugees are all factors that affect the outlook for shrimping portraying the shrimpers lives on land and water maril describes their boats equipment and various fishing strategies both legal and illegal used to survive in an increasingly competitive occupation he gives an in depth and personal look at an industry that in many ways has changed little over the last century and in others has haphazardly evolved as it enters into a ruthlessly competitive world marketplace the prospects for bay fishing a vital part of the cultural identity and tradition of many small coastal towns are uncertain by examining the past and clearing up misperceptions and myths maril provides valuable insight into not just the future survival or demise of one industry in a global economy but the future of small business as a whole

commonwealth caribbean business law breaks away from the traditional english approach of treating business law primarily as the law of contract and agency the book takes a panoramic view of the foundation of various legal systems with a subsequent examination of different areas of legal liability that may affect business activities these areas include

contract law agency tort law criminal law and internet law as significant challenges confronting the business sector the book primarily targets the development of business law in several caribbean commonwealth jurisdictions but also where appropriate embraces the jurisprudence of other commonwealth nations such as the united kingdom canada and australia with respect to internet law the proliferation of judicial pronouncements emerging from the united states provided the platform for the only non commonwealth treatment of a topic the approach of the book is to use excerpts from judgments so as to allow students particularly the non legal student to understand legal principles as espoused by the judiciary without the filtering bias of authors
